

Universal health coverage and effectiveness analyses in Georgia

Ketevan Meskhi

Master's Thesis is submitted for Ilia State University Faculty of Public health and health Policy

Project Supervisor: Akaki Zoidze, Associated Professor

Ilia State University

Tbilisi 2024

Acknowledgements

I would like to express my deepest gratitude to my supervisor, for his unwavering support, guidance, and feedback throughout this research. Their expertise and dedication have been instrumental in shaping the direction and quality of this thesis. I am grateful to all the participants who took part in this study. Your willingness to share your experiences and insights was crucial to the success of this research. Without your cooperation and openness, this work would not have been possible. I would also like to acknowledge the support provided by Ilia State University. The resources and facilities made available to me have been essential in conducting this research. Special thanks to the Commission for Protection of Ethics Norms of Research Projects of the Ilia State University of LEPL for their guidance and approval of this study. My sincere thanks go to my colleagues and fellow students for their encouragement, insightful discussions, and moral support. Your companionship has made this journey much more manageable and enjoyable. I am deeply indebted to my family and friends for their unwavering support, patience, and understanding throughout this process. Your belief in me has been a constant source of motivation and strength. Lastly, I would like to thank anyone who, in one way or another, has contributed to the completion of this thesis. Your support and contributions have been invaluable.

Thank you all.
